Salutations from Latvia!

I send you all ^{heartily} ~~heartily~~ greetings from your motherland.

I sent you a letter on 16 July, therefore I don't have much to write now. I am writing this letter because we are changing our address and moving to another city. We are now moving from Jelgava to Salaspils. Salaspils is only about nine kilometers from Riga. I shall go to school this year in Riga, because there is no secondary school in Salaspils, but my brothers will go to the Seven-Year's School in Salaspils. My father works as a first-grade tailor in a sewing artel, but my mother will be staying home after we move and will not about a month after we move. work for the government for / Do not send anymore letters to the Jelgava address, please, but to the address given below. That is all for today. I shall wait for an answer.

Greetings from

Evalds Lizbovskis.

Handwritten text, likely a letter or document, written in a cursive script. The text is heavily obscured by a dense, dark, grainy pattern, possibly a scanning artifact or a very dark ink. The text is arranged in approximately 15 lines, though the content is illegible due to the obscuring pattern.
